

SHARDA VIDYA MANDIR

HOLIDAY HOMEWORK (2017-18)

CLASS - III

Last Date of Submission of Holiday Homework is 01 July 2017

English –

1. Make a photo frame and write 5 qualities about yourself in it. Also paste your picture.

Material required-card board, coloured sheets, decorative material etc.

2. Draw a tree on a chart and paste pictures of animals who take shelter in it and write their names. Also place a small utensil or pot filled with water in your garden and write the names of birds who visit it.

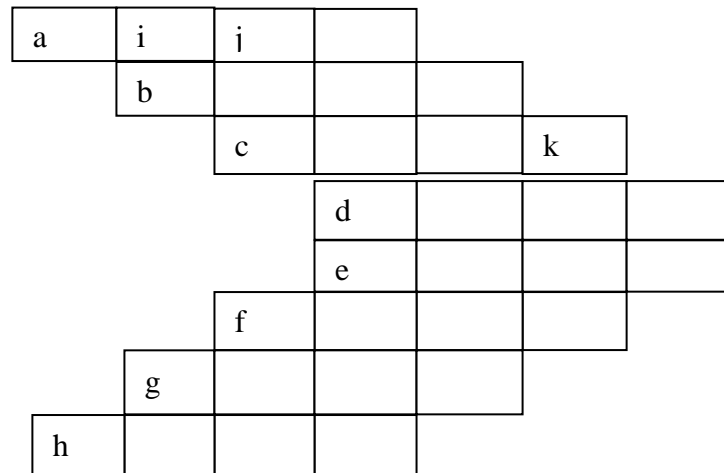

Hindi –

- भारत के किन्हीं पाँच ऐतिहासिक स्थलों के चित्र चिपकाकर उनके बारे में दो-दो वाक्य लिखिए। (In Scrap Book)
- व्यर्थ चीजों की सहायता से प्राकृतिक दृश्य बनाइए। (Collage work on chart with waste material)

Maths Q.1. Solve the given puzzle:

ACROSS

- Three thousand four hundred eighteen
- 1000 more than 7639
- 7 thousands, 8 hundreds and 9 ones
- Place value of 5 in 5,364
- Smallest number using digits 9,1,2,8
- Number before 9310
- $1000+900+70$
- The smallest among 3509,3905,3095

NOW CHECK USING THE 'DOWN' CLUES

- f) Largest three digit number
- g) The value of a digit goes up this many times as it moves up the place value chart
- i) Number of tens in 480
- j) 1000 less than 1167
- k) Nine thousand eighty nine

Q.2. Enter number into the squares so that every row, column and corner-to-corner diagonal adds up to a total of (a) 15(b)18

(a) Magic sum = 15

	6	
5		2

(b) Magic sum = 18

3		
	9	2

Science

1. Collect any 10 things from your surroundings. Distribute them in 3 categories of living things, non living things and dead things in three columns. (Do it in the scrap book)
2. ADOPT A TREE - • Make a scrapbook from old newspapers, cut it out in the shape of a tree. Choose a tree in your neighbourhood and collect and paste things that belong to that tree in the newspaper scrapbook such as fallen leaves, buds, seeds, twigs, dried fruits, bark pieces etc. Make some leaf rubbings and paste them in your scrapbook. Write tree's name and the place where it grows. Paste drawings of the animals, birds (feathers) and insects that visit or live on the tree. Write their names too. Note the month in which flowers and fruits grow on the tree.

Social Science

- 1 Prepare a chart of different tourist places of Karnataka.
- 2 Using old shoe boxes, match boxes prepare any one means of transport. Categorise it modern or ancient means of transport.
